

BENVENUTI A GAIA

WELCOME TO GAIA

Così come in passato le Muse ispiravano grandi artisti e poeti, anche noi ci lasciamo guidare dalla nostra MUSA.

Ciò che andrete a degustare è il risultato di tale ispirazione, dove le Ninfe la fanno da protagonista portando in forma liquida le loro storie.

Quindi mettetevi comodi, lasciatevi guidare e.... Salute!

Just like the ancient times, when artists and poets were inspired by the Muse, we let our MUSA guide us.

What you are about to taste is the result of said inspiration, with the Nymphs as the main protagonists and their stories translated in a liquid form.

So, get comfortable, let us guide you and.... Cheers!
